ATARI SPEED READING

ATARI Speed Reading is great for anyone who wants to read faster and remember more. ATARI Speed Reading utilizes the acclaimed Speedway method—it's computer-aided instruction at its best. Eight sets of lessons allow screen interaction while metronome-type sounds pace reading progress.

ATARI Speed Reading, available in September 1982, retails for \$74.95 and consists of five cassettes and a workbook. It works with either the ATARI 400™ or ATARI 800™ Home Computer and requires the ATARI BASIC Cartridge, the ATARI 410™ Program Recorder and an ATARI Joystick Controller.

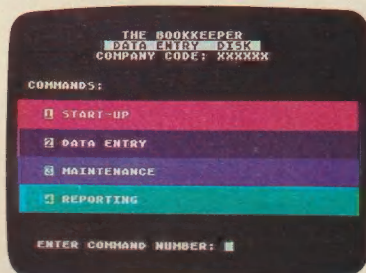

T

THE BOOKKEEPER

A powerful professional accounting system tailored specifically for the home office. The Bookkeeper generates financial reports automatically, including Profit and Loss Statements, Balance Sheets, Accounts Receivable, Accounts Payable and General Ledger.

The Bookkeeper retails for \$149.95. It requires the ATARI 800 Home Computer (48K RAM), the ATARI BASIC Cartridge, the ATARI 810™ Disk Drive, the ATARI 825™ Printer and the ATARI 850™ Interface Module.

M

MY FIRST ALPHABET™

My First Alphabet offers a fun way for pre-schoolers to learn at home. It helps children master the alphabet, colors, objects, counting, and letter and number recognition. Seven different options provide exciting, attention-holding educational adventures. The perfect interactive tool to be used by both parent and child.

My First Alphabet requires an ATARI BASIC Cartridge, an ATARI 800 Home Computer with a minimum of 32K RAM and an ATARI 810 Disk Drive. This product retails for \$34.95.

T

THE HOME FILING MANAGER™

Customers will have home files right at their fingertips with the new Home Filing Manager. The program replaces manual file cards with a readily accessible data base allowing the creation, storage, editing, retrieval and printing of files. The Home Filing Manager catalogs items like books, record albums, tools, antiques, birthdates or addresses. It's a whole new way to organize files.

The Home Filing Manager, which retails for \$49.95, can be used with either the ATARI 400 or ATARI 800 Home Computer with a minimum of 16K RAM and ATARI 810 Disk Drive.
